

Leave a legacy of hope with Habitat for Humanity Victoria

HFHV's vision is of a world where everyone has a decent place to live

Imagine the impact of providing safe, stable, and affordable housing to families in need – a lasting legacy that transforms lives for generations to come. By including a gift in your Will to Habitat for Humanity Victoria (HFHV), you can play a vital role in creating brighter futures for families across our community.

Why leave a gift in your Will?

Your gift, no matter the size, can:

- Help build safe and affordable homes for families experiencing housing stress
- Provide children with the stability to thrive in education, health, and personal development
- Empower families to create stronger and more independent futures

How your gift makes a difference

At HFHV, we address the growing crisis of affordable housing by building homes for families in need. Your legacy gift will:

- Enable us to construct more homes, providing shelter and stability to vulnerable families
- Foster life-changing outcomes, including improved education, health, and employment opportunities for children and parents alike
- Contribute to a stronger, more compassionate community for future generations

Your legacy, your way

Including a gift in your Will is a deeply personal decision. It can be as simple as:
